

70% ALCOHOL

HAND CLEANER GEL

KEEP OUT OF REACH OF CHILDREN

Laboratory data demonstrates that 60% ethanol and 70% isopropanol, the active ingredients in CDC-recommended alcohol-based hand sanitizers, inactivates viruses that are genetically related to, and with similar physical properties as, the 2019-nCoV.

NET ONE GALLON (3.78 L)

Warning

Flammable liquid and vapor. Can cause serious eye irritation. Keep container tightly closed. Keep out of reach of children.

FIRST AID: **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention immediately. **If swallowed:** Call a Poison Center or doctor if you feel unwell.

Storage and Disposal: Store in cool/well-ventilated place. Dispose of contents and container according to the local, city, state and federal regulations.

When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water. Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Place enough product on hands to cover all surfaces. Rub hands together until dry. Supervise children under 6 years when using this product to avoid swallowing.

Inactive ingredients: water, glycerin, polyacrylic acid polymer, fragrance, and aloe vera.
